

Dear Member,

RAMADAN KAREEM! (to all Muslim members)

As we enter this auspicious month of the year, our thoughts and best wishes go out to our Muslim brothers and sisters.

The SBC participated in the Back-to-Business function that was organized by the Jordanian Business Council. Almost 20 members represented the SBC at this popularly attended event.

The SC is hard at work finalizing the deliverables promised during the AGM. Amongst the forthcoming developments are amendments to the Constitution, the setting-up of the website/e-mail account, membership privileges, etc.

The launch of the 2nd SBC directory has proved to be a resounding success. Companies and government agencies in Singapore have found this directory to be very useful and have requested for additional copies. Due to the generosity of our advertisers and sponsors, the SBC bank account looks rosy, enabling us to fund more activities for our members.

I would like to wish all our Muslim and Hindu members **EIDH MUBARAK (SELAMAT HARI RAYA PUASA)** and **HAPPY DIWALI!**

Regards,

HARWINDAR SINGH
